

SO FIERCE MUSIC

Velvet Code is an International award-winning genderfluid Electronic Music DJ, producer, songwriter, radio show host and label owner based in Toronto, Canada. Firmly established on the electronic music, house and nu-disco scene, Velvet's music is heavily infused by the sounds of the 80, 90s and early 2000s, citing David Morales, Calvin Harris, Armand van Helden and David Guetta as his strongest musical influences.

Velvet Code has firmly established themselves as a Producer and Songwriter on the electronic music scene. Since the beginning of 2020, Velvet has been working with notable artists such as Lady Gaga, Wendy Starland and Taylor Swift, while collaborating with up-and-coming artists from So Fierce Music.

Velvet Code is on the remix team for Lady Gaga's Chromatica, with notable remixes of Stupid Love and Sour Candy.
